B

I ve been so lonely

E

I can t find any way

B

C#

F#

So long since I lost my way

B

I got a feelin

E

You re gonna run away anyday

B

F#

B

Why does it always seem to be me?

E

So let me fly, let me fly

Like a bird in the sky

B (B7)

Let me fly away

E

I wanna climb really high

C#

All the time in the sky

F#

Wanna stay up there all day

E

So let me fly, let me fly

Like a bird in the sky

B

Let me fly

Ebm

Getting away

C#

So after today

F#

E

Let me fly, fly, fly away

You say you re all right

You don t care anyway

I m listening, you re trying to say

You think I m crazy

You re thinking you got everything right

But you re fooling no-one else but yourself

{Chorus}

{Solo/Middle 8}

If you get lonely
You can t get along by yourself
If you re finding
You re needing me
Don t wait forever
For me to come a-following you
I ll wait here, you come back by yourself

{Chorus}

{Solo/Outro}
