G#
I had another drink after another drink

                                        Eb
and then I tried to crawl to the door

I had another smoke after another joke

                                  G#
and then I couldn t take anymore

It didn t change a thing not any single thing

                                        C#
when someone tried to tell me for sure

        G#   Eb
I heard another voice that said I wasn t in a dream

        G#   Eb
I read a word or two about everything

        G#   Eb
I never knew the way that it ought to have been

     C#   Eb   G#
they never told me a thing about it

   C#   Eb   G#
I never did know a thing about it

{CHORUS}
        C#   G#

And the lies in the eyes of a thousand eyes they won t go away

```
          C#                                                        G#
And the times that I ve tried are the times that I find they don t show today

    F#              C#  F#  G#     C#     F#  G# (see intro riff)
But you make me feel so good
```

I woke up after four still lying on the floor waiting to be carried away

I woke up once again a little after ten will things be better today

It doesn t change you see it only changes me

will someone try to tell me I m sure

I m gonna hear a voice and know isn t in a dream

I m gonna read the lines again and look between

I never knew the way that it ought to have been

they never told me a thing about it

I never did know a thing about it

{CHORUS}

INTRO RIF 5 TIMES
