But you make me feel so good

I woke up after four still lying on the floor waiting to be carried away

I woke up once again a little after ten will things be better today

It doesn't change you see it only changes me

will someone try to tell me I'm sure

I'm gonna hear a voice and know isn't in a dream

I'm gonna read the lines again and look between

I never knew the way that it ought to have been

they never told me a thing about it

I never did know a thing about it

{CHORUS}
