F#
I had another drink after another drink

                                  C#
and then I tried to crawl to the door

I had another smoke after another joke

                              F#
and then I couldn t take anymore

It didn t change a thing not any single thing

                                  B
when someone tried to tell me for sure

       F#   C#
I heard another voice that said I wasn t in a dream

        F#   C#
I read a word or two about everything

        F#   C#
I never knew the way that it ought to have been

     B   C#   F#
they never told me a thing about it

   B   C#   F#
I never did know a thing about it

{CHORUS}
        B   F#

And the lies in the eyes of a thousand eyes they won t go away

```
          B                                                    F#
```
And the times that I ve tried are the times that I find they don t show today

But you make me feel so good

I woke up after four still lying on the floor waiting to be carried away

I woke up once again a little after ten will things be better today

It doesn t change you see it only changes me

will someone try to tell me I m sure

I m gonna hear a voice and know isn t in a dream

I m gonna read the lines again and look between

I never knew the way that it ought to have been

they never told me a thing about it

I never did know a thing about it

{CHORUS}

INTRO RIF 5 TIMES

I m going back to school I m gonna check the rules and see if I get carried
away

I m going back again I m gonna try again don t listen what the people might say

It doesn t change a thing not any single thing

I m gonna hear a voice and know isn t in a dream

I m gonna read the lines again and look between

I never knew the way that it ought to have been

they never told me a thing about it

I never did know a thing about it

{CHORUS}
