Caroline, dirty, got a lotta soul

Gotta run, gotta hide, get outside of town
so when we go she ain't so far behind
seems like another day in paradise
another day for me to lose my mind

She'd be there, anywhere given half a chance
and I believe everybody knows
she is a girl and you can't ignore
and isn't that the way it always goes

She's your very best friend
when you're digging in a hole
she reads a good book
but she loves her rock 'n' roll
say what you like but she's gonna take control
Caroline, dirty, got a lotta soul
