I sit and dream oh I m singing out loud
Bb Eb C#
under that coconut tree I ll close my eyes
G#
drift away and think of you
Bb Eb
walking on in the sand
C# Bb Bb7
I ll take your hand and lead you to

Eb C#
Mystery Island, Mystery Island
G# Bb
in the sun yeah
Eb C# G# Bb
Mystery Island, take me away from it all
Eb C#
you don t look back, you don t look back
G#
you just leave your worries behind
Fm G# Eb
you wanna stay on Mystery Island

|Eb| |C#| |G#| |G# Bb|

Today I m daytripping out to sea
like the bird on the wing
nothing s bothering me
I wanna be flying high
up to the clouds
with my feet still on the ground
I ll drift away I know I m safe

now that I ve found my

Mystery Island, Mystery Island
in the sun yeah
Mystery Island, take me away from it all
you don t look back, you don t look back
you just leave your worries behind
you wanna stay on Mystery Island
