

Nightride Status Quo

I Don t Like The Song Personally. But Its Popular Among The Die-Hard Quo Fans!

I Did Use Help On This One. Its Hard To Work Out - Keywise

2 Guitars In The Intro. (..... = Let Ring)

Scheming, thinking of the right place
Beaming, laughing at my own face
We've got a long way to go
Cos you make like you're so disapproving
But can't you tell I'm in tune
And I'm moving so much closer to you
Can't you tell I'm in tune
And I'm moving so much closer to you

You, you, you, you, you move me
You, you, you, you, you move me
You, you, you, you, you move me
You, you, you, you, you move me
You.....
