

**Not At All**  
**Status Quo**

A great heavy blues track.  
The video is a must see.

E            B  
I say yes

I say no

                         E  
Its like watching a river flow  
                         B

Maybe shallow

Maybe deep

                         D  
I won t lose any sleep

                 E  
Oh Nooo

E                            B  
Not at all would I

Take a fall for ya

                         E  
Not at all    cos you

want it all

                 E                            B  
and ya try it on like a

sad old song don t ya

   D C#m D    D#5 E5  
think its wrong how you carry on and on
