

Paper Plane
Status Quo

(Rossi / Young)

C

Riding on a big white butterfly

I turned my back away towards the sky

F

I closed my eyes to look for something

Saw myself as really nothing

C

Then I realised my butterfly

G

Wasn't really up there with me

F

We all make mistakes, forgive me

C

Would you like to ride my butterfly

C

Riding on a long blue paperplane

Getting seasick, sorry once again

F

Landing strip is getting nearer

Hope the fog lifts, make it clearer

C

Then I realised my paperplane

G

Wasn't really up there with me

F

We all make mistakes, forgive me

C

- **G**

Would you like to ride my paperplane

C

Riding in a three grand Deutche car

B to C# is often very far

F

Home is near, but such a long way

Legs and heads all feel the wrong way

C

Then I realised my Deutche car

G

Is only there to get me somewhere

F

Even so I really do care

C

Would you like to ride my Deutche car
