**Status Quo**

**E**                    **G**  
When I look up to the skies  
**D**                    **A**                    **E**            **G-D-A**  
I see your eyes a funny kind of yellow  
**E**                    **G**  
I rush home to bed I soak my head  
**D**                    **A**                    **E**            **G-D-A**  
I see your face underneath my pillow  
**E**                    **G**  
I wake next morning tired still yawning  
**D**                    **A**                    **E**            **G-D-A-E-E-E-E**  
See your face come peaking through my window

**A**                    **B**                    **E**  
Pictures of matchstick men and you  
**A**                    **B**                    **E**  
Mirages of matchstick men and you

All I ever see is them and you

(guitar intro again)

**C**                    **C**  
Windows echo your reflection  
**G**                    **G**                    **D**  
When I look in their direction gone  
**C**                    **C**  
When will this haunting stop  
**G**                    **G**                    **B**    **B-E-E**  
Your face it just wont leave me a-lone

**A**                    **B**                    **E**  
Pictures of matchstick men and you  
**A**                    **B**                    **E**  
Mirages of matchstick men and you  
**A**                    **B**                    **E**  
All I ever see is them and you

**G**                    **D**                    **A**                    **E**  
You in the sky you with this guy you make men cry you lie  
You in the sky you with this guy you make men cry you lie
