Looking back it can be funny, it can be very strange
Everything we do, it s funny, we never rearrange
It can lose you all sleep at night
Twelve bar blues is now alright
Now it`s up to you to try and find the reason to
Rock `n` Roll and every song
Rock `n` Roll and everyone
It`s Rock `n` Roll and Rock and Rock `n` Roll
It`s Rock `n` Roll and Rock keeps rollin` on
Waiting all the time to find radio plays on Caroline
They say you ll get there in the end
We can pray, what we say
Makes a difference in the end

Rushing always in a hurry, and try to give it up
Everything we do it s funny, it s never good enough
It can lose you all sleep at night

Twelve bar blues is now alright
Now it`s up to you to try and find the reason to
Rock `n` Roll and every song
Rock `n` Roll and everyone
It`s Rock `n` Roll and Rock and Rock `n` Roll
It`s Rock `n` Roll and Rock keeps rollin` on
Waiting all the time to find radio plays on Caroline
They say you ll get there in the end
We can pray, what we say
Makes a difference in the end
