

Rock n' Roll  
Status Quo

**F#** **G#m** **C#** **F#**  
Never thought I d have a worry for me to be alone  
**F#** **G#m** **C#** **F#**  
Playing near or far too many times I should have known  
**E** **B** **F#**  
It can lose you all sleep at night  
**E** **B** **F#**  
Twelve bar blues is now alright  
**E** **B** **F#**  
Now it`s up to you to try and find the reason to  
**B**  
Rock `n` Roll and every song  
**C#**  
Rock `n` Roll and everyone  
**F#**  
It`s Rock `n` Roll and Rock and Rock `n` Roll  
**F#** **C#**  
It`s Rock `n` Roll and Rock keeps rollin` on  
**Ebm** **G#** **C#** **F#**  
Waiting all the time to find radio plays on Caroline  
**B** **C#** **Ebm**  
They say you ll get there in the end  
**G#m** **C#**  
We can pray (we can pray)  
**F#** **Ebm** **B**  
What we say (what we say)  
**C#** **F#**  
Makes a difference in the end

Looking back it can be funny, it can be very strange  
Everything we do, it s funny, we never rearrange  
It can lose you all sleep at night  
Twelve bar blues is now alright  
Now it`s up to you to try and find the reason to  
Rock `n` Roll and every song  
Rock `n` Roll and everyone  
It`s Rock `n` Roll and Rock and Rock `n` Roll  
It`s Rock `n` Roll and Rock keeps rollin` on  
Waiting all the time to find radio plays on Caroline  
They say you ll get there in the end  
We can pray, what we say  
Makes a difference in the end

Rushing always in a hurry, and try to give it up  
Everything we do it s funny, it s never good enough  
It can lose you all sleep at night

Twelve bar blues is now alright  
Now it`s up to you to try and find the reason to  
Rock `n` Roll and every song  
Rock `n` Roll and everyone  
It`s Rock `n` Roll and Rock and Rock `n` Roll  
It`s Rock `n` Roll and Rock keeps rollin` on  
Waiting all the time to find radio plays on Caroline  
They say you ll get there in the end  
We can pray, what we say
