Show her a sign, don t make her laugh
Don t try putting it on
Show her the time is here at last
And only the past is in the past
Don t try bringing it on

I hope you don t mind if I just have to say
Just talking up high, it is the only way
Only way

So, throw her a line, she s sinking fast
Show her the time is here at last
Throw her a line, she s sinking fast
Show her the time is here at last
Throw her a line, she s sinking fast
Show her the time is here at last
Throw her a line, she s sinking fast
Show her the time is here at last
Throw her a line
