

packed my case

put my best suit on

C C# D

and I washed my face

short on spending money

but the champagne s complimentary

now look this ticket s for 2 is there a chance that you would

ride with me honey on the velvet train

we be leaving when you re ready

if you just say yes

rolling down the line

destination happiness

tell me this and tell me no more

are you riding with me I got to know for sure

we can rock and roll and save our souls

so before we get too old

ride with me honey on the velvet train

ride with me honey on the velvet train
