**A** **D/A** **A**  
Iâ€™ve spent a lifetime running after you  
**Em** **D** **A**  
But listen woman, everything must change  
**D/E** **A** **F#m** **A**  
Itâ€™s time you found yourself some other fool you can blame  
**D/A** **A**  
You had me figured as the spineless one  
**Em** **D** **A**  
Whoâ€™d be there waiting when youâ€™d had your fun  
**D/E** **A**  
But nowâ€™s the time I feel I should be cool  
**F#m7** **Dsus2**  
What a shame  
**F#m7** **Dsus2** **A**  
what a shame

(A) **D** **A**  
Who gets the love that we no longer share?  
**D** **A**  
Who gets to hold you close when Iâ€™m not there?  
**D**  
Whose heart is filling up, Iâ€™m asking you  
**F#m** **E** **Dsus2**  
Who gets the love?

So many times you said I made you cry  
Thatâ€™s not the truth itâ€™s just an alibi  
And Iâ€™m not planning to be number two, wonâ€™t play your game.  
Iâ€™ve often wondered after love has gone  
Where do we find the strength to carry on?

And whereâ€™s that someone that our love supplies  
And whatâ€™s their name? What a shame.

Who gets the love that we no longer share?  
Who gets to hold you close when Iâ€™m not there?  
Whose heart is filling up, Iâ€™m asking you  
Who gets the love?

(F#m)                      Bm                      F#m  
Before we give in are we really sure  
                                 B                      D  
Weâ€™re giving love that we donâ€™t need no more?  
                                 E                      F#m      G      A  
There ainâ€™t a chance that we might get together again, oh no

Whose heart is filling up, Iâ€™m asking you  
Who gets the love?

Who gets the love that we no longer share?  
Who gets to hold you close when Iâ€™m not there?  
Whose heart is filling up, Iâ€™m asking you  
Who gets the love?
