A **D/A** **A**
Iâ€™ve spent a lifetime running after you
Em **D** **A**
But listen woman, everything must change
D/E **A** **F#m** **A**
Itâ€™s time you found yourself some other fool you can blame
D/A **A**
You had me figured as the spineless one
Em **D** **A**
Whoâ€™d be there waiting when youâ€™d had your fun
D/E **A**
But nowâ€™s the time I feel I should be cool
F#m7 **Dsus2**
What a shame
F#m7 **Dsus2** **A**
what a shame

(A) **D** **A**
Who gets the love that we no longer share?
D **A**
Who gets to hold you close when Iâ€™m not there?
D
Whose heart is filling up, Iâ€™m asking you
F#m **E** **Dsus2**
Who gets the love?

So many times you said I made you cry
Thatâ€™s not the truth itâ€™s just an alibi
And Iâ€™m not planning to be number two, wonâ€™t play your game.
Iâ€™ve often wondered after love has gone
Where do we find the strength to carry on?
