

**Your Kind Of Love**  
**Status Quo**

Your Kind of Love  
Status Quo  
Back to Back 1983

Turning the C# chord into a C#7 occasionally sounds cool.  
Especially in the choruses. There s alot going on here so I m not sure  
if this is done on the recording.  
Either will sound fine.

| D E | | F#m |

| D E | | F#m |

**F#m** **D**  
Love makes the world go round

Each and every day

**C#**  
Your kind of loving gives me something

**F#m**  
I m going round again

Love makes the world go round

**D**  
And now I know for sure

**C#** **D**  
You are something special to me

**E**  
I want nothing more, than

**F#m** **E**  
Your kind of love, your kind of love

**D Bm** **C#**  
Your kind of love, your kind of love

**F#m**  
Makes the world go round

Your kind of love  
Could never fade away  
Something for nothing, your kind of loving

What more can I say  
You make the world go round  
You are the night and day  
Everybody needs somebody  
But I m the only one, with

**F#m** **E**  
Your kind of love, your kind of love  
**D Bm** **C#**  
Can t turn away your kind of love  
**D E**  
Makes the world go round  
**A C#**  
Makes the world go round  
**D E**  
Your kind of love  
**D**  
Makes the world go round
