[Verse 1]

**Em**                      **Am7**  
Hope is very hard when  
**Em**                      **Am7**  
Hope is very hard when we  
**G**                      **Fmaj7**  
put ourselves out to sea

**Em**  
We ve taken all the right steps  
**Am**  
taken all the right steps but  
**G**                      **Fmaj7**  
which doors open with our keys

**G**  
All the neon fires fired in our brains  
**F**  
We were thinking that our world was in  
**Am**  
danger

**Am**  
But then we entered the fray

[Verse 2]

**G**  
All the rest they could  
**C**  
not compare, your  
**F**

smile said that you cared

**Fmaj7**

And It felt so wonderful

**Fmaj7**

Now all these memories I can't

**G**

wash them away, they are

**Em**

destined to stay

**Am**

And they feel like a heaven

N.C.

those

[Chorus]

**F**

pho-oh-oh-oh-oh-oh-oh-tah-

**G**

**Em**

graphic memories

**G**

**Em**

**G**

and they'll die on with me

[Verse 3]

**G**

All your faults I did

**Cmaj7**

cherish them all, I

**F**

helped you up when you'd fall

**G**

You did the same for me too

**C**

Into my life, you ah

**Am**

rived right on time, you

**Fmaj7**

must have been a sign

**F**

and now I'm left with all these

[Chorus]

**G**

**Fmaj7**

pho-oh-oh-oh-oh-oh-oh-tah-

**Em**

**Am**

graphic memories

**Cmaj7**

and they'll die on with me

[Bridge]

**G**

Your eyes

**F**

burn two giant holes

**C**

straight in my heart

**F**

my love spills out

**Em**

conquers you whole

**C**

Now we re swimming

**G**

around in the love

**F**

and it soaks into our skin

**G**

though mine is metal

**Cmaj7**

and yours is flesh.

**F**

**Am7**

our differences make this the best

**C**

Love in town and we skip to every

**G**

destination

**F**

**C**

we re putting on show everywhere we go

**Cmaj7**

sparks fly from my lips

**Em**

its an electric kiss

**Fmaj7**

**G**

Staticâ€™s abound, frequency sounds

**F**

**C**

hand in hand we dance around

**G**

**Fmaj7**

I m generating lots of love holding your hand

**G**

**Em**

**F**

They can hear our motors turning across the land

[Verse 4]

**G**

All our love well it

**F**

put us at ease and it

**Em**

**Am**

Somehow made time freeze

**G**

**Fmaj7**

And it seemed like itâ€™d never end

**G**

Both of our hearts seemed to

**F**

Intertwine, when

**C**

We met for the first time

**Am**

And now I can't stop thinking about those

[Chorus]

**G**

pho-oh-oh-oh-oh-oh-oh-tah-

**Fmaj7**    **Em**    **Am**

graphic memories

**G**

**C**

and they'll die on with me

[Verse 5]

**Em**

**Am**

Hope is very hard when

**Em**

**Am**

Hope is very hard when you've

**Fmaj7**

**Cmaj7**

lost the thing you had before

**Em**

**Am**

I took all the right steps

**Em**

**C**

I took all the right steps and I

**Cmaj7**

**G**

unlocked the right doors

**G**

All the neon fires died out in my brain

**Am**

And I grew numb to that feeling of

**Em**

pain

**Fmaj7**

**F**

why did you have to go

(EITHER USE INTRO TAB HERE OR CHORDS)

[Verse 6]

**C**

All the rest they could

**E**

never compare, your

**Am**

**C**

smile showed me that you cared

**G** **Fmaj7**  
And it felt so wonderful

**Am** **Em**  
All those memories I can't

**C**  
wash them away, they are

**Fmaj7**  
embedded in my brain

**Em**  
And I am all alone now with  
these

[Chorus]

**Em** **Am**  
pho-oh-oh-oh-oh-oh-oh-tah-

**G** **Fmaj7**  
graphic memories

**Cmaj7** **F**  
and they'll die on with me...
