Just By Being You
Steel Magnolia

This is my first tab, but this is also a really easy song. tell me what you
think. :)

G   C
Let s run away, where nothing stands between me and you,
G   C
Let s find a place, somewhere a little closer to the truth,
C   Em   A
And call it a home, where there s no right and there s no wrong,
                   Em/F#
And we can be all alone.

D   G   A   D
And I ll take off my halo, if you take off your wings,
    D   G   A   D
You don t have to be invincible, cause I sure ain t no saint,
    D   G   A   D
You ll always be my angel no matter what you do,
       Bm   A   G   D
Cause you take me to heaven, just by being you.

G   D
Tell me a secret, tell me things that no one else should know,
G   D
Even in your weakness, baby drop your guard, just let it go,
      C   Em   A
Until everything s exposed, and you don t have to feel ashamed,
           Em/F#
Baby, just say my name.

D   G   A   D
And I ll take off my halo, if you take off your wings,
    D   G   A   D

C
When I see you standing there, you know it all becomes so clear
    A
The way you look, the way you touch, I need the way you lift me up

This will never feel complete until there s nothing in between
