Intro:       **Em**               **C**               **G**               x2

**Em**                               **C**                               **G**  
If I were stronger I d just let you leave  
**Em**                               **C**                               **G**  
You d say it s over and I would just agree  
              **Em**                               **C**                               **Em**  
Then I d tell you I wish you the best, I really do  
                              **C**                               **G**  
You deserve happiness, I can t give you what you need  
              **D**  
You can leave, just not tonight

**G**  
I m not ready to lay this down  
**D**  
I m too stubborn to quit you now  
              **Em**  
There s a voice somewhere deep inside of my mind  
              **C**                               **D**  
Saying it s too soon to let you go tonight  
**G**  
I m in no hurry to hear goodbye  
**D**  
Why can t it wait till the morning light?  
              **Em**                               **C**  
We can come undone some other time  
**D**                               **Em**               **C**               **G**  
Just not tonight

**Em** **C** **G**  
Before the stars go out, before we disappear  
**Em** **C** **G**  
Let me hold you now, rest your head, right here  
**Em** **C** **Em**  
But I can't live without you to make your love come back  
**C**  
What can I say to make you stop  
**G** **D**  
Here in your tracks, I know you're staring at the wrong way, as tonight

**G**  
I'm not ready to lay this down  
**D**  
I'm too stubborn to quit you now  
**Em**  
There's a voice somewhere deep inside of my mind  
**C** **D**  
Saying it's too soon to let you go tonight  
**G**  
I'm in no hurry to hear goodbye  
**D**  
Why can't it wait till the morning light?  
**Em** **C**  
We can come undone some other time  
**D**  
Just not tonight

**Em**  
**C**  
Not tonight, not tonight
