

If You Really Really Love Me
Steel Panther

I found this using a sweet new app I just got called Chord Detector. It's great and accurate and easy to learn any song on your iPod! There may be some changes in the key from time to time but this is a good start - first tab.

A

If you really really really really love me

Then you really really really gotta show me

Never hassle me because I'm unemployed

D

A

If I sleep all day don't get annoyed

B

F#m

G

A

If you really really love me

If you really truly want to make me feel nice

Make it so I don't ever have to ask twice

Let me have the keys to your Mercedes

Don't get mad when I bring home some ladies

If I get fat and look like an ape

Lie to me, tell me I'm in great shape

Then I'll know that you really really really

Really really really love me

F

If you wonder what I did with the rent

Just consider it money well spent

G

I bought trunks and a new surfboard

So just go tell your dumb landlord

A

That you love me

D

You really really love me
