F#m          Bm                F#m                    Bm
 You cannot see it; nowhere on Earth, can this reggae be found.

 Right now, I am com-manding you to dance.

F#m                     Bm
 Journey through the tunnel of love,
F#m                       Bm
 Wisdom is respected, hatred is rejected.
       F#m                     Bm
On the planet dread; it rains dub,
F#m                       Bm
 Climb Aladdin s ladder, hotter reggae, hot.

Verse 4:

F#m               Bm                      F#m  Bm

F#m                  Bm
 Highest heights and hottest hot,
F#m            Bm
 Rasta this and Dreadlocks that.
F#m             Bm
 On the move, I just can t stop,
F#m                      Bm
 I m in the groove and I just can t stop. Cos I m;

F#m               Bm       F#m         Bm
```

In love with Jah music; invisible music.
