Call The Captain
By Steep Canyon Rangers

   Capo 2

        G   D/F#   Em
   Call up the captain tell em i aint comin in
        G   D/F#   A2
   He can dig his own coal somthing esle is happening
        G   D/F#   Em
   This living that im making is doing a sin
        A2
   Hes broken the lives of too many good men

   Been hauling coal since i was big enough to fight

  Some 30 odd shift with out a glimpse of daylight

   The corporation likes to say that everythings alright

   Dig your self a hole   get outa sight

   Theres a dark cloud above me thats blocking out the sun

   Burn another hundred coal listen to the engines run

   1 half is starving while the others having fun

 So call the captain, call the captain, call the captain, call the captiannn

   (chorus)
     A2   D/F#   G   Bm
        Melinda close the door
         G   D/F#   A2   Dsus2
      I aint going down to the mines today
           Cadd9   Bm   A2
      I want clear blue skys and whole lot more
      G   D/F#   Em
      I aint going down to the mines

   (verse)

          G   D/F#   Em
   Theres a hole in this bucket ive been carrying around
          G   D/F#   A2
   I fll it up to the top and watch it spill on the ground

```
      G                  D/F#                Em
I go down to the mines and when i come back up
      A2
I got nothin to show but the sweat on my brow

These hills are my own flesh and bones

There all that i love and there all that i know

Please dont ask me to destroy my own home

I m not gonna choose between my heart and soul, soo

Call the Captain tell him i aint coming in

He can dig his own coal something else is happening

This living that making is doing a sin

So call the captain, call the captain,.......call the captainnn

(solo)

(chorus)
   G         D/F#             Em
 Hear the whistle blow this morning
   G         D/F#            A2
 Hear the whistle blow today
    G         D/F#              Em
 Hear the whistle blow this morning
   G            D/F#           A2
 (just play the chords no words)

(chorus)
   G            D/F#          A2
 I aint going down to the mines
   G            D/F#          Em
 I aint going down to the mines
