

Welcome To Paradise
Stefanie Steven

[Verse]

G **C**
Countryâ€™s gone crazy - people are blind
G **C**
forced to buy boxes - when thereâ€™s no boxes to find
D
just million dollar lean tooâ€™s
C
whereâ€™s the contract to sign
Am **D** **G**
gotta noose around my neck - but this box is mine

[Chorus]

G **C**
jippee jippee yeah - up to my eyeballs in debt
G **C**
jippee jippee yeah - hope there is no regret
D **C**
everybody says - this country is sooooo nice
Am **D** **G**
jippee jippee yeah - welcome to paradise

[Verse]

G **C**
now I am sitting in my box, on Marine Parade
G **C**
watching 20.000 cars passing by from morning till late
D **C**
but I donâ€™t really care, cause the view is ok
Am **D** **G**
neighbours in his toilet and itâ€™s a beautiful day.

[Chorus]

G **C**
jippee jippee yeah - up to my eyeballs in debt
G **C**
got a million dollar home - and hope it was a good bet
D **C**
everybody says - this country is sooooo nice
Am **D** **G**
jippee jippee yeah - welcome to paradise

[Verse]

G **C**
when I come from work, I like to swim in the sea
G **C**
gotta put my wetsuit on to avoid the poo and the pee

D **C**
but I donâ€™t really mind, cause when I close my eyes
Am **D** **G**
I can dream about a clean blue sea, just like paradise

[Chorus]

G **C**
jippee jippee yeah - up to my eyeballs in shit
G **C**
jippee jippee yeah - but swimming keeps me fit
D **C**
everybody says - this country is sooooo nice
Am **D** **G**
jippee jippee yeah - welcome to paradise

[Verse]

G **C**
the rivers and the lakes are looking sadly green
G **C**
minister says itâ€™s swimmable but I am not that keen
D **C**
cause all the farmers cows are dumping in the stream
Am **D** **G**
and I donâ€™t really want to get sick - if you know what I mean

[Chorus]

So I sing...

G **C**
jippee jippee yeah - up to my eyeballs in shit
G **C**
jippee jippee yeah - and I m so sick of it
D **C**
cause everybody says - we are so clean and green
Am **D** **G**
welcome to paradise - now you know what I mean.
