Remember the days, we set out together with faith?

Then things weren t the same, the life that we knew had to change
G D/F#
We ve struggled through, the darkest storms

We thought we couldn t tame
G D/F# Bm
Together we ve tried, as we stood side by side
C2
I knew we d build a new world
G/B A
A world of hope for ever after

[Chorus]

D A/C#
Deep in my heart I just know
Bm A
Right from the start, we will grow
G D/F#
Look where we are, we ve come so far
E/G# A
And there s still a long, long way to go
D A/C#
With all of my heart, I will care
