All I thought was something

So everything I am

I give up

**Ab**

Iâ€™m lying it down

**Bb**

Iâ€™ve had enough

**F#**

Of living without you

**C#**

Iâ€™m letting go

**Ab**

Of what I was

So long

**Bb F#**

Good bye

**Ab C# Ab Bb F#**

I begin to live

**C#**

I give up

**Ab**

Iâ€™m lying it down

Iâ€™ve had enough

**F#**

Of living without you

Iâ€™m letting go

**Ab**

Of what I was

**Bb F#**

So long

**Bb F# Ab**

Good bye

And I surrender

**F# C#**

Raising my white flag

Iâ€™m letting go

**Ab**

Of what I was
