(Intro)

C#M B C#M B A

(Verse 1)

C#M

Tell me what do you believe in

B

Does your life have rhyme or reason

C#M B A

Something in your heart that makes you care

C#M

I hope that you don't mind me asking

B

But I have got a burning passion

C#M B A

I need to know forever you'll be there

(Chorus 1)

C#M

I can't make it clearer

B

Put it any other way

C#M B A

If you can't see the simple truth I do

C#M B A

Then there's nothing in this world that's left to say

C#M B

But Jesus loves you

(Verse 2)

C#M

I know I don't have all the answers

B

And I have wasted many chances

C#M B A

To prove to you a faith that lives inside

C#M

I'm praying there will be a breakthrough

B

~Cause I can't be the one to save you

C#M **B** **A**
God knows how many times Iâ€™ve tried

(Chorus 1)

C#M
I canâ€™t make it clearer

B
Put it any other way

C#M **B** **A**
If you canâ€™t see the simple truth I do

C#M **B** **A**
Then thereâ€™s nothing in this world thatâ€™s left to say
 C#M **B**

But Jesus loves you

(Bridge)

C#M
I canâ€™t explain

B
But I canâ€™t deny

A **E** **C#M**
So many times for you Iâ€™ve cried

B **C#M** **A** **C#M** **B** **A**
And to see you on your knees tonight

(Chorus 2)

C#M
I canâ€™t make it clearer

B
Put it any other way

C#M **B** **A**
To know you know the simple truth I do

C#M **B** **A** **E** **B** (STOP)

â€™Cause Jesus loves you

C#M **A**
Jesus loves you
