Procrastinating - Stellar Kart

**B**

So here I am

It's 3 AM

I don't know where to begin

Time's running out

And there's no doubt

**Ab**

That I feel like throwing in the towel

**E**

**B**

With no way I can get this start finished

**B**

I try and try

And wonder why

The answers never come

Guess this is it

I'm tired and sick

**Ab**

Of always feeling undone

I've tired it all but there is

**E**

**B**

Still something missing

**B**

**Eb**

So I'm a day late

**Ab**

**F#**

At least a buck short

**B**

**E**

I've got no chance to

**Ab**

**F#**

Make this on my own

**B**

**Eb**

I don't have it made

**Ab** **F#**  
Iâ€™m nowhere near the shade  
**B** **E**  
Will you step in this  
**Ab** **F#** **B**  
Life and take control

N.C. (This is a bass only verse but can be played the same as the previous verses)

Show me the way  
I know that slow and steady  
Wins the race  
But slow to me  
â€™Cause I canâ€™t see  
Is like a lightning pace  
And all get is nowhere  
Constantly waiting

**B**  
Are you still there

And do you care

About how Iâ€™m feeling now

Iâ€™d like to see what I can be

Without this holding me down

**Ab**  
But Iâ€™m too scared

**B**  
Of taking this chance and failing

**B** **Eb**  
So Iâ€™m a day late

**Ab** **F#**  
At least a buck short

**B** **E**  
Iâ€™ve got no chance to

**Ab** **F#**  
Make this on my own

**B** **Eb**  
I donâ€™t have it made

**Ab** **F#**  
Iâ€™m nowhere near the shade

**B** **E**  
Will you step in this

**Ab** **F#** **B**  
Life and take control

**E**

Iâ€™m always waiting

**B**

Procrastinating

**E**

I feel so useless

**Ab F#**

On my own

**E**

Youâ€™re always waiting

**B**

Just in time to save me

**E**

Iâ€™m not so useless

**Ab F#**

Iâ€™m not alone

**B**

So here I am

**Ab**

Itâ€™s 3 AM

**E**

No better time to begin

**B**

**Eb**

So Iâ€™m a day late

**Ab F#**

At least a buck short

**B**

**E**

Iâ€™ve got no chance to

**Ab F#**

Make this on my own

**B**

**Eb**

I donâ€™t have it made

**Ab F#**

Iâ€™m nowhere near the shade

**B**

**E**

Will you step in this

**Ab F# B**

Life and take control

And take control
