

**Cupid Called**  
**Stephen Jerzak**

My first tab:) I saw no one had posted it and decided to do it - a very simple song. No capo, unless of course you re like me and some of that is too high:) I ve tested to the second capo and as long as you adjust your voice (obviously!) you should be fine:) Let me know if I need to fix anything - thanks!  
Hope you enjoy!  
Standard Tuning, no capo (reminder:)

Cupid called and said he wants to tell you  
**D** **C** **D**  
that he needs my heart back from you so-on.  
**G** **C**  
So I got out of bed and went to find you,  
**D** **C** **D**  
so I could get my heart back before it was too late.

**C**  
Accidents happen and cupid can miss  
**G** **D**  
the target he s trying to get me.  
**C**  
But luckily you were an accident that  
**G** **D** **C**  
made a hat trick look like it was easy, oh.

**G** **C** **G** **D**  
Candy and hearts aren t enough to make you see that  
**G** **C** **G** **D** **G**  
this is the best thing that s ever happened to me.

Cupid called and asked if I had found you  
**D** **C** **D**  
but there s no sign of you around here anymore  
**G** **C**  
So I took out my phone and tried to call you,  
**D** **C** **D**  
so I could get a hold of you before you had my heart for good.
