F#m

Hey you,

E

You re a pretty girl

Asus2

But you re pretty artificial

Dsus2

And I wish there was enough of you to come around

F#m

My way

E

Asus2

Dsus2

But I lost that chance with you.

F#m

Hey you,

E

Asus2

You turn the night on for me

But I know behind it

Dsus2

All you re so uneasy

F#m

Here,so speak up

E

Asus2

And tell me what is real

Chorus:

Asus2

I heard you party on the weekends,

E

They say you got a reputation

Dsus2

You re a party girl,

E

Asus2

You re nothing like a party girl

Asus2

And then I saw you on the weekend,

E

You were the center of attention

Dsus2

E

Asus2

I m sorry girl you re nothing but a party girl

F#m

E

Asus2

Hey girl, who s your flavor of the week this time?

Dsus2

Oh, he must be pretty nice

F#m

E

Asus2

Dsus2

But I wouldn t be surprised if sweet turned into sour

F#m

E

Hey girl, do you remember

Asus2

Back when we were only this tall?

Dsus2

Dreaming so big we were so small

F#m

E

What happened to that passionate girl

Asus2

That swore to me

Would become part of a sorority?

Chorus:

Asus2

I heard you party on the weekends,

E

They say you got a reputation

Dsus2

You re a party girl,

E

Asus2

You re nothing like a party girl

Asus2

And then I saw you on the weekend,

E

You were the center of attention

Dsus2

E

Asus2

I m sorry girl you re nothing but a party girl

?

She s a drama queen

Asus2

she talks to him,

He talks to me

E

Bsus4/G

About the times the things he said she said to him about me

?

I m all for honesty

Asus2

E

But I wonder what he says about me back to you

Bsus4/G

And if it s even true

?

She s a drama queen

Asus2

E

And I can t believe that she would talk about me

Bsus4/G

But never to me

Asus2

I m all for dignity

but I m almost happy that she hates me

Chorus:

Asus2

I heard you party on the weekends,

E

They say you got a reputation

Dsus2

You re a party girl,

E

Asus2

You re nothing like a party girl

Asus2

And then I saw you on the weekend,

E

You were the center of attention

Dsus2

E

Asus2

I m sorry girl you re nothing but a party girl
