E:	x	3 h-> 2		x	x	x	0

Intro: **D, G, D/F#, Dsus**

	D	G	D/F#	Dsus
I know it s	morning	and that	you need to go	
	D	G	D/F#	Dsus
You look so lovely	in the morning	glow		
	D	G	D/F#	Dsus
The only thing I ask	is that you know			
	D	G	D/F#	Dsus
That I will keep you	in my thoughts	throughout the day		
	D	G	D/F#	Dsus
Another disappearing	act it seems			
	D	G	D/F#	Dsus
Another conversation	gone midstream			
	D	G	D/F#	Dsus
It s never easy,	when you re gone	from me		
	D	G	D/F#	Dsus
But could you keep me	in your thoughts	throughout the day?		
Em	D/F#	G		
Keep me in your thoughts	while I m away			
Em	D/F#	G		
Remember how it was	and the words we thought to say			
Em	D/F#	G		
Darlin I could never	be distraught			
Cadd9	A7sus4			
If only you would keep me	in your thoughts			

When you were little did you think of leaving?
 How the one you chose to be with, would barely let you see him
 And as I drift with the winds of every season

Girl you re right there in my thoughts though you can t see them

When I was little I had Sky the dinosaur
And I don t think much of that toy anymore
But I think of you before you re out the door
So could you keep me in your thoughts while you re away?

Keep me in your thoughts you precious thing
Sometimes you get the honey, sometimes you get the sting
And a solitude like this cannot be bought
If only cause you keep me in your thoughts
