

Why Dont You Love Me
Stephen Kellogg

This is my very first tab, so hopefully it sound right to you, because it sounds great
me. I strum eighth notes, down up, with the accent on the up.

Intro: Play the D string, then play it at the second fret, then the 4th. You could do
A string, if you choose, but I think the D fits in better with the chords of the song.

Verse:

G
Why don t you love me like you used to do?

G **D**
How come you treat me like a worn out shoe?

G **C**
My hair s still curly and my eyes are still blue

G **D** **G**

Bridge?

Why don't you be just like you used to be?

How come you find so many faults with me?

Somebody s changed, and let me give you a clue:

Why don t you love me like you used to do?

Last Verse

So, Why don t you say the things you used to say?

What makes you treat me like a piece of clay?

My hair s still curly and my eyes are still blue,

so why don t you love me like you used to do?

Why don't you love me like you used to do?
