I lie next to her in the bed  
**D F A**  
She s the kind of girl I d like to wed  
**D F C**  
Nevermind the fact that she s dead  
**Bb A G A G**  
It turns me on, it turns me on

**A D F A**  
Sure, she s a little cold to the touch  
**D F A**  
But that doesn t bother me much  
**D F C**  
Because the embalmer did such  
**Bb A G A G**  
A lovely job, a lovely job

**A G**  
She s a month dead and she s starting to smell  
**A G N.C.**  
But if loving a corpse is a sin, I ll see you in hell

**A D F A**  
And now, I got her propped up in a chair  
**D F A**  
She s losing her skin and her hair  
**D F C**  
And I m wishing that she wouldn t stare  
**Bb A G A G**  
So much at me, so much at me

**A D F A**  
Yeah, Rigor mortis is taking its toll  
**D F A**  
And her body is stiff as a pole  
**D F C**  
But I ll never put her back in the hole  
**Bb A G A G**  
I dug her from, I dug her from

**A** **G**  
She s a month dead and she s starting to smell  
**A** **G** **N.C.**  
But if loving a corpse is a sin, I ll see you in hell
