Intro Em5 **F5 G5 G5**
Verse 1
Em5   **F5**   **G5**
ever since first man has walked this earth i have been here
   Em5   **F5**   **G5**
to whisper seeds of doubt and evil thoughts into his ear
  Em5   **F5**   **G5**
i am the beast the outcast angel fallen from on high
  Em5   **F5**   **G5**
i go by many names but there is one you canâ€™t deny

for the rest of the song play the chords like so:
  C   **F**   **G**

A|3----|--3--|--2--|
E|--3--|-----|3----|
```
                    C
my name is satan
C
my friends all call me old scratch and i am a capricorn
   F   **C**
my turn-ons are romantic walks and killing the unborn
         G   **F**
iâ€™ve got little devil horns and little goatee
G   **F**
little devil eyes to help a little devil see
     G   **F**
and little cloven hooves make it kind of hard to ski
           C
iâ€™m satan
C
my real name is beelzebub but you can call me beelz
  F   **C**
i love to watch fox news and then go club some baby seals
          G   **F**
then iâ€™ll take a bubble bath and drink a zinfandel
G   **F**
try to wash off that baby seal smell
G   **F**
then iâ€™ll make a toast to me, hey hereâ€™s to my health

```
                    C
my name is satan
     F                        G
to carry on my evil ways i went and had a son
      F                            G strum C strum F strum
and now he makes his living as a singing comedian
         C
i’m in every zeppelin album i’m in all rush limbaugh’s rants
           F                      C
i’m the reason the boston red sox even had a chance
          G                           F
and if i wanna eat your soul i’ll just throw it on the griddle
       G                       F
don’t need to make a deal i don’t need to tell a riddle
      G                      F
and fuck charlie daniels i don’t care if you can fiddle
           C
i’m satan
