Tuning: Standard

I haven't seen a tab for this song, so I thought I'd try to make one. I'm pretty sure is how it goes. Any comments or questions just e-mail me. Thanks.

Intro/Verse: When you see the x's, slap the strings. Play 3x during the verses, and intro is included in the first verse.

Verse 1 Lyrics:

The union of a woman and a man, touchin for the very first time.

The gentle texture of a hand, true love is always hard to find.

Chorus 1:

**Em** **C** **D**  
And sometimes, my penis ain't as hard as wood.

**Em** **C** **D**  
And sometimes, your disappointed in my manly hood.

**C** **D**  
I can't take it please, fake it for me.

Verse 2 Lyrics:

Take the nature of love, can only make this relationship grow.

And don't send from heaven above, cause things don't always work down below.

Chorus 2:

**Em** **C** **D**  
And I know, that the porno movies make ya feel cheap

**Em** **C** **D**  
And sometimes, you finish while I'm fast asleep, baby.

**C** **D**  
I can't take it please, fake it for me.

Play intro 1x here.

Bridge:

**C** **D** **G** **D**  
Try so hard to be a man but, so damn hard to please.

**C** **D** **G** **D**  
Doesn't help to know that your best friend, runs on batteries.

**C** **D**  
I can't take it please, fake it for me.

Chorus 3:

**Em** **C** **D**  
Even though, my love's a little premature, yeah.

**Em** **C** **D**  
When you call me, Mr. Softy I get insecure.

**C** **D**  
I can't take it please, fake it for me.

Play the intro once more at the end and strum G once to finish it off.

This is a pretty funny song and it can be found on YouTube to get the strumming pattern.
