Halloween
Stephen Lynch

standard tuning
i ve seen him perform this song over and over so heres the chords

```
alternate chord (Ac)                    |-0
i don t know the name of the chord      |-1
                                        |-3
                                        |-3
                                        |-0
                                        |-0
```

use Am and C throught the intro

```
Am           C               Am
```
Thinking of all the cool creatures
```
C          Am    C    Am      C
```
That I will meet, tonight
```
Am           C               Am
```
Ghosts and Goblins and Witches
```
C          Am          C     Am    C
```
Roaming the streets, in moonlight
```
Am           C               Am
```
Bowls of candy and goodies
```
C            Am            C   Am     C
```
Delicious and waiting in store
```
Am           C               Am
```
Sounds of cute little footsteps
```
C            Am        C     G
```
As they approach my front door

```
C               G           Am              F#
```
Letting the childeren inside to drink beers
```
C               G           Am          F#
```
Razor blades hidden in 3 muskateers
```
C               G           Am       F#          C         G
```
Sounds from the basement of kids begging to be set free
```
C               G           Am          F#
```
That s what Halloween means to me

```
Am               C               Am
```
Tightening the clamps that are holding
```
C            Am    C    Am    C
```
Their little heads, so tight
```
Am           C               Am
```
Putting my lips to their ears
```
C          Am          C   Am     C
```
As I whisper, please, don t fight
```
Am           C               Am
```

```
I promise to let you go home
C                      Am    C     Am    C
If you swear not to tell, a soul
Am        C                  Am
I ll just un-tie these, I m kidding
C         Am          C            G
Where is my chainsaw, let s rock n roll

C            G           Am              F#
A pinch of your brother a teaspoon of you
C            G           Am              F#
With the head of your sister would make a good stew
C               G               Am          F#      C      G
I d give you a taste but your tongue s in the stew, irony?
C          G         Am        F#
That s what Halloween means to me

(stephen noises)

Ac       Am           C         G
Trick or treat, smell my feet
Ac       Am       C        G
Give me something good to eat
Ac       Am       C        G
Trick or treat, smell my feet
Ac        Am       (no music)
Give me someone, good to eat

anyway there you have it
now on the C chord i believe that is it but it might also be:

|-0
|-1
|-2
|-3
|-0
|-0
```
