E D
E D
E D
A C Em A
A C Em G D

I love your mind
I love your soul
I love it when you grease your body and you slide it
Up and down that pole, yeah
I love your hair
I love your eyes
I know that you feel the same way cuz I can see the love
Dripping down your theighs

And my mama would laugh, my mama would scoff
If she knew I loved a girl who loved to take it off
And she d probably disown me if she met my little pearl
But there s nothing wrong, mama
With my peepshow girl, no
No there s nothing wrong, nothing wrong

So now I m broke
You bled me dry
And it s amazing how much money that a guy will spend to
Taste a little pie
But I m okay
I m a little sore
I can t believe that I found love in a place where my
Feet stick to the floor
And I went to confession and the preacher said no,
It s a sin to love a girl who isn t pure as driven snow.
I said preacher, I don t care man, I found heaven in this world
And there s nothing wrong, oh preacher
With my peepshow girl, no
I said there s nothing wrong, nothing wrong
With my peepshow girl
