

**The Ballad Of Scarface**  
**Stephen Lynch**

This is my first tab to write out. I couldnt tell what a few of the words were so i just put what they kinda sounded like, but im about 99.9% sure the chords are all correct.  
E-mail corrections foreverman1989@yahoo.com

Intro **G** **Asus** **C** **G** 2x

**G** **Asus**  
Do you Know Tony Montanna rode a boat here from Havannah  
**C** **G**  
Scars from eating p\_\_\_ lines his face  
**G** **Asus**  
Finds a day job washing dishes Hates his life he only wishes  
**C** **G**  
Someday in this world to find his place

**D** **C**  
And he has a scheme  
**D** **Am**  
For his own drug regime  
**Cm** **G**  
Dream Scarface Dream.

Hired by the gangster Omar he climbs the ranks hes getting so far  
selling drugs and guns out on the streets  
Soon he works for Frank the main boss doing hits and dodging chainsaws  
getting rich and living life so sweet

but he craves romance  
in his disco pants  
dance Scarface dance

See Tony wants to rule the world so he kills Frank and steals his girl  
shell give him the son hes never had  
alas her womb is so polluted from the powder she has tooted  
there ll be no son and that makes Tony sad

as he looks to the sky  
hear his plaintiff cry  
fly pelican fly

Bridge  
**Am** **C** **G**

Now he starts to get too high on his own supply

**D** **Am**

Thinking he is the only gamey in town

**C** **G**

and his animesley side on a plot of regicide

**D** **Am**

Its time for the king to lose his crown

**C** **G**

Scarface must go down

Tonys killers soon surround him sensing death has finally found him

he aims his gun prepared to do his part

and as he shouts its not the end say hello to my little friend

assassins bullets pierce his fragile heart

**D** **C**

Its a Tragic Good bye

**D** **C**

He had flown so high

**D** **Am**

Cuban butterfly

**Cm** **G**

Die Scarface die
