D **G**
I made love you all night long
D **G**
Then I got up to write you a song
D **G**
I watched you sleepin, I feel in love, you must have been sent from heaven above
A **D** **G**
Don t think you could never do no wrong...then you farted
D **G**
Oh girl you farted
D **G**
First I thought that it was kinda cute
D **G**
I surpressed a smile when I heard your girl poot
D **G**
Then the smell came wafting by, brought a little tear drop to my eye,
A **D** **D2** **G**
I think I ll go sleep out on the couch... cause you farted.
Em **A**
You can make milk curdle, make your skin crawl, make the paint peel of the wall
Em **A**
I won t sleep under them covers no more since the hot winds blew from out your
Asus **A**
backdoor.
D **G**
Baby, it sure has been a gas
D **G**
But I can t live life a-fearin of your ass
D
So I gathered up my clothes and my old dog, Bill
G
Move back to my house at the top of the hill,
A **D** **G** **D**
Well boy, I guess it s just you and me...then you farted.

He does a bunch of hammers when he plays the G chord, i think he s just hammering the B on the A string. He also plays D2 pretty occassionally after playing the D.

This is my first tab, so enjoy it...
