Verse 2: Same as verse 1

This is just what I feared
Her head is mishapen and wierd
She s skinny like a twig, at least her nuts are big
But her hair color doesn t match her beard

Chorus:

Damn thats an ugly baby
Damn thats an ugly ass baby
I give the doc a smack and say can t you put her back in
Cause damn thats and ugly baby

Bridge:

Bm
And when she smiles I find
A **E**
Shame McGallen comes to mind
Bm
It makes me want to cry
A **E**
When I look into her good eye
Bm
I always wanted kids
A **E**
Is it wrong to hope for SIDS
Bm
The doctor calles me in
A **E** (hold)
Mr. Lynch she has a twin

Chorus:

Damn that s a good lookin baby
One for two on the good lookin babys
Now I start to weep, this one we can keep
Cause that was an ugly baby

Ending: Play like the chorus

She s got one good tooth and one ear and one eye
And thank God only one nose but it s on her left thigh
The thought of changing her diaper each day
Or powdering her ass with that tail in the way
I think I could get a good price on Ebay...

Chorus

Thats it. Later.
