

Voices In My Head

Stephen Lynch

This is from the CD The Craig Machine

The finger picking is pretty easy. Just pluck the bass note (**E** or **A**) in each chord then pluck the rest of the notes. The other tab is slightly off. This one is perfect.

Thank you all for coming to my show

G Bm G Bm G Bm
You ve been great, but now i have to go.

Em Bm Em Bm Em Bm
Everyone had a super time i hope

G Bm G Bm G Bm
Some songs tend to push the envelope

C D
These are things that i have said,

C D
but there are voices in my head,

C D
and if you could here them,

C D
this is what they d say:

Back to: **G Bm**, etc...

All the verses and choruses are the same. Enjoy!
