

Waiting

Stephen Lynch

This is a new song Stephen Lynch has been playing on his recent tour. Its pretty simple,
i have no doubt my version isn t 100% correct.

Chords: [EM] [C] [B7] [AM] [D]

for strumming patterns, listen to the song, its pretty basic.

[Em]

It s out of my hands and all i can do is wait

[C]

its the not knowing that has put me in this state

[Am]

The minutes feel like hours, the tension is too great

[B7]

I ve done my part and now its in the hands of fate

[Em]
