Songtitle: What if the guy from Smashing pumpkins lost his car keys?

This is a short but super funny song by Stephen Lynch,
I'm pretty sure these are the tabs but I'm not sure about the picking formation.

INTRO (Pick out each chord 4x but don't rake)

C Fx2

C **F**
Where the fuck are my car keys?

C
They were right here in my hand

F
I had them about a second ago

C **F**
Did I leave them here in the kitchen?

C
Or under the cushions of the couch?

F
I can't find them anywhere anywhere - oh here they are.

Rake **F** and let ring
