 Soon the creatures of the forest called him whittlin man

Had a stump to sit on, had some wood and his trusty knife
Whittled out a house, a car, and he whittled himself a wife
Such a beautiful wife
Whittled out four kids, a swimmin pool and a big lear jet
And so he wouldn t miss Saved by the Bell, well he whittled a TV set

Some say whittlin man s a genius, still others say he s just dumb
Whittled off a foot, an ear, three fingers, and his left thumb
Boy is he dumb
That won t stop him, no it won t, he ll whittle through thick and thin
Once he s whittled everything, he ll just whittle it all again

He ll whittle if he s dry and he ll whittle if it s juicy
