C

G

Avoid your scream, paralyze dream for ever

Wicked, wicked Wanda

I d rather date Rawanda

Than be involved in your moral trap

Oh, pretty little spider

With Hollywood inside her

And no time to accommodate

Venom kicks, one-eyed jick, a feather

The basement screams, apparently forever

* [scroll down for part]

To be free of doubt and longing

Simple clarity belonging

In a role untouched by history

To be part of something vaster

Than yourself, the frozen plaster

Break out of your core categories

G **F** **A7**
Strike.. strike me square, into the arms of the air
Strike.. strike me square, into the arms of the air

Stories not reality,
I feel like a junk contraption
Truth is I can t shake this vile fear

When I spaceout I am direct
I got no ego to reflect with
Free to be a tempermental tear

A# **G#** **C**
Strike.. strike me square, into the arms of the air
Strike.. strike me square, into the arms of the air
etc.
