

All These Things
Stephen Speaks

^^^THIS SONG IS FOR KIMBERLY DE GRACIA..I LOVE YOU SO MUCH..

INTRO: **AM7**-AM7sus

AM7-AM7sus **Bm7**
Maybe it s her face, no makeup at all
D C#m7-Bm7 AM7-AM7sus
As she tells me she s not beautiful
AM7-AM7sus **Bm7**
Maybe it s her hair, soft golden and wind blown
D C#m7-Bm7 AM7-AM7sus
As we drive through the streets of town
D C#m7-Bm7
It could be all these things
PAUSE **AM7**-AM7sus
But I think it s her smile

Maybe it s her laugh when she throws back and sighs
Or her eyebrows when I do something stupid
Maybe it s her smell, the lotion she wears
Or how my hands smell like country pear for days

D C#m7-Bm7
You know it could be all these things
PAUSE **AM7**-AM7sus
But I think mostly itâ€™s her smile

D C#m7 Bm7 C#m7 AM7
Cause I love to see her smile back at me
D C#m7 Bm7 AM7
And I know she is happy

Maybe it s her touch, the feel of her hands
When she puts her tiny fingers in mine
Maybe it s her eyes gently searching my soul
Still nothing stirs me like when I see those lips roll
and I see her smile

Cause I love to see her smile back at me
And I know she is happy...
