

**All These Things**  
**Stephen Speaks**

^^^THIS SONG IS FOR KIMBERLY DE GRACIA..I LOVE YOU SO MUCH..

INTRO: **AM7-AM7sus**

**AM7-AM7sus** **Bm7**  
Maybe it s her face, no makeup at all  
**D C#m7-Bm7 AM7-AM7sus**  
As she tells me she s not beautiful  
**AM7-AM7sus** **Bm7**  
Maybe it s her hair, soft golden and wind blown  
**D C#m7-Bm7 AM7-AM7sus**  
As we drive through the streets of town  
**D C#m7-Bm7**  
It could be all these things  
PAUSE **AM7-AM7sus**  
But I think it s her smile

Maybe it s her laugh when she throws back and sighs  
Or her eyebrows when I do something stupid  
Maybe it s her smell, the lotion she wears  
Or how my hands smell like country pear for days

**D C#m7-Bm7**  
You know it could be all these things  
PAUSE **AM7-AM7sus**  
But I think mostly itâ€™s her smile

**D C#m7 Bm7 C#m7 AM7**  
Cause I love to see her smile back at me  
**D C#m7 Bm7 AM7**  
And I know she is happy

Maybe it s her touch, the feel of her hands  
When she puts her tiny fingers in mine  
Maybe it s her eyes gently searching my soul  
Still nothing stirs me like when I see those lips roll  
and I see her smile

Cause I love to see her smile back at me  
And I know she is happy...
