[Intro]

G A D G A Bm
G A D (2x)

[Verse]

G A D
It s her hair and her eyes today
G A Bm
That just simply take me away
Em F#m G A
And the feeling that I m falling further in love
G A Bm
Makes me shiver but in a good way
G A D
All the times I have sat and stared
G A Bm
As she thoughtfully thumbs through her hair
Em F#m G
And she purses her lips, bats her eyes
G G A
And she plays with me sittin there slacked jaw
Bm
And nothing to say

[Chorus]

D G
Coz I love her with all that I am
D G
And my voice shakes along with my hands

Yes she s all that I see and she s all that I need

And I m out of my league once again
