**Steppenwolf**

**F C Dm C F C Dm Am**  
She used to dance when she had the chance and the time it didn't matter  
**F C Dm C**  
At the end of her night was an endless flight  
**F C Dm Am**  
While her head, it was lost in the laughter

[Solo 1] **Am**

**Am Dm**  
A girl I knew

Someone I used to talk to  
**F E A**  
When we'd meet in the middle of a room  
**Am Dm**  
A girl I knew

Her world a shade of blue  
**F E A**  
Someone I used to talk to

**Bb Dm**  
She used to sing in the night while her ring  
**Am A**  
It would sparkle like burgundy wine  
**Bb Dm Bb Am A**  
And the people stopped and stared but pretend she's not there
