INTRO

VERSE

The one who reads the stars has told me  
 Why you re not like everyone  
 Your father is a fiery wizard  
 He travels all around the sun  
 No one ever knew just where you came from  
 Orphan girl, you grew up wild  
 Your father left you on the way home  
 Yes, girl, you re a Jupiter s child

VERSE

Wish I knew the way back  
 Back to where you came  
 Gladly I would leave here  
 Take another name  
 I can tell by you, it must be true  
 It s up on Jupiter s face  
 They don t embrace our own disgrace  
 Somebody, help me off this place

SOLO 1

VERSE

You really quite belonged  
 Like a pearl among the swine  
 You tried to live the way we do

Hoping you would learn in time  
But, mankind, with all it s virtue  
Will soon make you lose your smile  
On this earth, with all it s madness  
Heaven help a Jupiter s child

SOLO 2

VERSE

Wish I knew the way back  
Back to where you came  
Gladly I would leave here  
Take another name  
I can tell by you, it must be true  
It s up on Jupiter s face  
They don t embrace our own disgrace  
Somebody, get me off this place

OUTRO

Normal tuning. Give me good scores! Jesse M
